

Centurian (Parc Tawe 1) Limited

Parc Tawe Retail Parc

CCTV Policy to be available on your website.

Important information about Data Protection.

This Policy applies to personal data collected by CCTV / ANPR and or Electronic Access Control Systems (EACS) at Parc Tawe Retail Parc Swansea.

This information forms part of our privacy policy

Closed Circuit Television (CCTV), Body Worn Cameras & Electronic Access Control Systems are in operation at Parc Tawe 1 Retail Parc.

Where these systems are able to process Data which by itself or with other Data available to us can be used to identify you, this is known as Personal Data.

This data protection policy sets out how we use that personal data.

We take the security of your personal data very seriously and take a stringent approach to data protection including its secure storage and taking the appropriate technical, physical and organisational steps to protect it. We regularly evaluate whether it is necessary and proportionate to use a CCTV system for which we are responsible as Data Controllers. We have conducted a privacy impact assessment and an annual audit is undertaken to ensure that correct legal procedures are followed.

We have also had a Lawful Purpose Assessment conducted and documented and then this is reviewed annually.

Prior to disclosing any CCTV footage, we seek the advice of a specialist data protection advisory service Datpro to protect your personal data from inappropriate or wrongful disclosure.

Your data will not be processed or stored outside of the European Economic Area (EEA)

The types of personal data we collect and use

CCTV and Body Worn Cameras; the lawful basis for processing personal data by the use of these systems are: For the legitimate interest of Centurian (Parc Tawe 1) Limited as the Data Controller or that of other persons or organisations.

We will use the data obtained from CCTV / ANPR images for the purposes set out below

For the purposes of,

- Good property management,
- Maintaining the security of the premises and the prevention and investigation of crime.
- To monitor goods and services.
- For health and safety.
- For Protecting the rights, property and for the personal safety of the occupiers of the buildings, including the staff and the tenants, visitors to the buildings including, the tenant's staff, visitors to the building or premises including members of the public and those of The Alhambra Shopping Centre.
- When you exercise your rights under data protection law and make requests
- Based on your consent. When you request us to disclose your personal data to other people or organisations such as a company handling a claim on your behalf, or otherwise agreed to disclosures:
- For the security and wellbeing of equipment and vehicles

RETENTION PERIOD

CCTV recorded images

Recorded images will be kept for a limited period only usually a maximum of 30 days and are then erased.

The exception being where images are required for evidential purposes or another legally valid reason including responses to your legal rights (subject rights).

The Data will be collected directly during any visits you make to Parc Tawe 1 Retail Parc.

When using an Electronic Access Control System, the Lawful Basis for Processing Personal Data via the use of an Electronic Access Control System is:

For the legitimate interest of the data controller or that of other persons or organisations.

We will use your data for the purposes set out below

The data will be collected **directly** and may include a combination of the following Personal Data dependant on the system itself and its objectives.

Your name

Your photographic image

The company you work for

Your position within that company

Your vehicle registration number

Your address and contact details

The Access Control System when in use may record the days / times that you enter and leave the premises.

This information will not be given to any third parties including your employer without first obtaining your permission and will not be used to make any automated decisions concerning your employment.

Prior to any of your data being entered or processed by or into an access control system you will be advised of the exact content of the required data and the purposes for which your data will be used.

You will have the right to question why the data is required and to object to anything that you do not want to be processed.

Where you give your consent to your personal data being processed you will have the right to withdraw that consent at any time.

Retention Periods

Your data will only be kept within the access control system for the duration of time during which you asked to use the system in order to gain entry and to leave the premises where it is installed.

Following which your Data will be deleted from the system, for example when and if you are no longer employed in the building or are not intending to re-visit the building again.

We will process your personal data:

As necessary to comply with a legal obligation, e.g.:

- When you exercise your rights under data protection law and make requests:
- For compliance with legal and regulatory requirements and related disclosures:
- For establishment and defence of legal rights:
- For activities relating to the prevention, detection and investigation of crime:
- To verify your identity.
- For the security of the premises
- For Health and Safety
- For the safety and security of tenants, their employees and members of the public
- For Good property/estate management

Sharing of my personal data

Subject to applicable data protection law we may share your personal data with:

- Companies and other persons providing services to us:
- Courts and Law enforcement agencies to comply with legal requirements, and for the administration of justice:
- In an emergency or to otherwise protect our vital interests:
- To protect the security or integrity of our business operations and those of our tenants
- The tenants of the premises
- For Health and Safety

Automated decision making and processing

- Your data will not be used in order to make any automated decisions which may or could significantly affect you

Your rights under applicable data protection law

Your rights are as follows:

- The right to be informed about the processing of your personal data:
- The right to have your personal data corrected if it's inaccurate and to have incomplete personal data completed.
- The right to object to processing of your personal data:
- The right to have your personal data erased ("the right to be forgotten")
- The right to request access to your personal data and information about how we process it (Subject Access requests)
- The right to move, copy, or transfer your personal data (data portability) and
- Rights in relation to automated decision-making including profiling

If you have any further questions, suggestions or requests not covered by this privacy policy please contact Adam Gibbons on adamg@centurianparc.com or our specialist data protection advisors Datpro Limited, telephone 0161 480 4580 or e-mail info@datpro.co.uk

You also have the right to complain to the Information Commissioner's office. It has enforcement powers and can investigate compliance with data protection law:
